

George F. Isiminger P.E. - Director of Engineering and Environmental Affairs

As Director of Engineering and Environmental Affairs, Mr. Isiminger is responsible for design and oversight of all construction projects at Port Manatee. He also handles securing environmental permits and ensures compliance with local, state and federal environmental requirements.

Prior to coming to the port, he worked for Gee & Jenson, Engineers-Architects-Planners, Inc. where he was vice president in charge of coastal engineering and waterfront environmental services.

He has a Bachelor of Science in Civil Engineering from the University of Florida. He also serves on the Tampa Bay Regional Planning Council's Agency on Bay Management, the Bay Soundings Editorial Advisory Board and various community groups.
